

## THINGS THAT YOU SHOULD PAY ATTENTION TO AVOID ANY ILLEGAL PASS FROM THE EURASIA TUNNEL

Make sure that you have OGS device and HGS label.

Make sure that you have sufficient balance in your OGS and HGS accounts.

Make sure that you have your OGS device and HGS label properly affixed on the windshield of your car.

Make sure that you have a valid OGS device and HGS label.

Your license plate is in a clean and readable state.

Do not use OGS device / HGS label that belongs to a different type of vehicle.

You can check whether or not you have made an illegal pass from [www.avrasyatuneli.com](http://www.avrasyatuneli.com).

\*You are advised to check after 2 days at least following the passage to get the most accurate results.
